To our patient family

Due to the recent statewide mandate, we are reducing our services to emergency eye care until mid-April at which time we will re-evaluate.

What does this mean?

Although the physical office will temporarily be closed to routine eye care, our doctors are still available to see you in our office for red eyes, sudden vision changes, injuries, and other emergency issues during the hours of 10 am to 3 pm, Monday through Thursday. We can be reached at 916-797-6747.

We are offering to extend your contact lens and glasses prescriptions on a case by case basis for up to 3 months. If you need contact lenses, please call our office at 916-797-6747 to discuss or to place an order.

If you have glasses or contact lenses ready for pick up, we will be delivering them to you in your car or shipping them to you at no cost. Please call to confirm the address you would like us to ship your contacts or glasses.

As always, if you have questions please feel free to contact us by phone or text.

Thank You,

Granite Pointe Eye Care, Inc.  
And  
Capital Eye Medical Group, Inc.
